- **We aren't typical used car dealers.**
- **We don't employ sales-pressure techniques to get you to buy a car you don't want or can't afford.**
- **There are no "going-out-of-business" or "all-cars-must-go" advertisements used to draw you in.**
- **There are no cash rebates on the cars we have on our lot.**
- **But, there are great cars for all budgets and honesty is our way of doing business.**

Our clients have high expectations for their vehicles, and equally high expectations about the dealership professionals who serve them. Auto Group of Plano is widely recognized to be among the best in quality, reliability, value and customer satisfaction in both sales and service.
